

## Community Events Update

Dear Community Members,

Based on our desire to protect the health and safety of our community, and in response to Governor Andy Beshear's recommendations for preventing the spread of the COVID-19, Lexington Clinic has decided to suspend participation in community events and group gatherings until further notice.

This suspension will also be in effect for all Lexington Clinic led activities such as the monthly Diabetes Support Group, the monthly Pink Ribbon Club and the Overhead Athlete Throwing Program.

We welcome you to continue to engage with us through our website, social media channels and the patient portal.

For any queries, feel free to email us at [info@lexclin.com](mailto:info@lexclin.com).

Thank You.

Lexington Clinic
